### **Some Nordic-details:**

During NM there will be free certificates.

Exhibitors from all countries are more than welcome to compete, you just have to be a member of your own country's club. It is only pigs owned in Denmark, Sweden, Norway and Finland who can claim the winner-titles like NordjrV-11 for example.

A team competition will be held between DMK, SMF, NMK and SMY. The 5 best results will be added up and constitute the result for the country.

There will be no Show pens! There for the cavies must have at least 3 spaces (pigeon boxes) or minimum 35x30 cm or a surface at 1050 cm<sup>2</sup>

There will be no show pens because we had short time to plan NM.

If you are interested in selling things at the Nordic Championship Show as a private person or with your business, please make a deal with one of the show secretaries.

Masquerade Class will be held for guinea pigs for 20 SEK. Theme: The Nordic Mythology!

We will be grateful if you let us know if you are interested in having breakfast/lunch in Qpoolen to Åsa Bengtsson at [0418432958@telia.com](mailto:0418432958@telia.com). Lunch cost 60SEK for adults and 40SEK for children. Breakfast cost 30SEK. You will pay at the show. Please order your food to be sure to get what you would like.

It's possible to check-in your cavies on Friday evening, Saturday and Sunday morning. The times will be published in your confirmation.

There will be a NM party. More information about price and place will be published later.

Each country is responsible for one party entertainment at the NM party.
